

Self-test questionnaire regarding infection protection

For the access to Hurricane Factory Berlin GmbH the following terms do apply:

- fully vaccinated (14 days after the final vaccination)
or
 - recovered (28 days to 6 months after a positive PCR test)
- plus** official test result
(negative test certificate: rapid test not older than 24 h, PCR-Test not older than 48 h)

Persons with an additional booster vaccination do not need the additional test certificate.

All certificates have to be presented at the reception of Hurricane Factory.

Should the situation arise that a guest cannot visit an official test center before the visit to Hurricane Factory, we offer the possibility to conduct a supervised self-test on the spot (€ 5,00/test kit or own self-test).

The following questionnaire is part of the officially approved hygiene concept of Hurricane Factory Berlin GmbH and has to be completed by all visitors for documentary reasons. The hereby collected data will not be saved and will be destroyed after four weeks.

Your immunization or test status concerning COVID-19 (please tick as appropriate):

fully vaccinated (14 days after the final vaccination) → additional test required	
recovered (28 days to 6 months after a positive PCR test) → additional test required	
Boosted → NO additional test required
