Registration and classification of the competitor

Registration is to be done online at: <https://hurricanefactory.com/prague/en/czech-open-2023/>
Competitor will fill out the first and last name and other necessary information.

Afterwards, competitor needs to download the Declaration and consent form (Annex 4), fill it in, sign it and send it to sportflight.praha@hurricanefactory.com.

Also, in case the competitor has not participated in #handiflyRACE 2022 in France, or if his/her physical condition has changed or he/she uses new specific equipment to facilitate flight (prosthetics, orthotics, others) since that competition, **video images** illustrating his/her deficiencies on the ground and showing them in a flight situation on a race simulation (with their specific equipment) needs to be sent to sportflight.praha@hurricanefactory.com at the same time in order to allow the board to decide on the coefficient.

All these parts of the registration need to be done until **5.12.2022**.

An early procedure for classification will be carried out by the same classification board as the one used during the #handiflyRACE 2022. This board will deliberate on all applications received in order to assign the coefficients of compensation that will be applied during the #handiflyRACE 2023.

The coefficients previously assigned could be modified by the board if, after a new medical analysis and observation of the judged flights of the #handiflyRACE 2022, the board considers that adjustments are necessary.

The work carried out during the WH seminar of 27 & 28 September 2022, about the use of the indicative table (Annex 2) may in particular lead to a re-examination of certain specific situations.

Assigned coefficients will be communicated the latest by December 22, 2022.

There will be no review procedure about the compensation coefficient assigned as candidates will retain the freedom to withdraw their registration until the **December 31, 2022**.
