Schedule of each discipline

Formation Skydiving 4-Way

Competing teams will fly 10 competing rounds. The organizer will decide the order of teams. Breaks between each round will be dependent on the number of competing teams (the breaks can be shorter than 45 minutes if there is less teams).

The judging will be done from the video footage of Hurricane Factory Prague. The delegated judges will do the judging. Length of one entrance is 1 minute. Working time is 35 seconds.

In the case of equal number of points, the better final rank goes to the team, who reached the maximum number of points in one round and afterwards, if necessary, the minimum amount of points in one round. If this doesn't decide about the winner, ranking will be decided in additional competing rounds, until the better team is found.

Winner is the team with the highest score.

Team for formation skydiving is consistent of 4 members. The team registration can include up to two alternate competitors, whom can switch out any two team members during the competition.
